

Floorplan Meteor

Please note that this is only a guideline. The placement of the tables may vary per moment.

Meteor Bar

Draft 1

Here you can find the most ordered beer like the Bavaria Beer, Witte Trappist, La Chouffe and Seasonal Cider on draft

Draft 2

Kriek and seasonal beers

Coffee Machine

Here you can find the coffee machine, milk machine and coffee bean grinder. The cups are on top of the coffee machine. Underneath the coffee machine you can find the cookies and spoons. Next to the milk machine, you can find the syrups and plates. In the fridge underneath, you can find the hot chocolate and milks.

Cocktail Machine

At the cocktail machine corner, you can find the cocktail machine, shapers, strainers, measuring cups and bucket of ice. The glasses can be found above the beer drafts.

Cleaning sink

The cleaning sink is to quickly clean glasses and the shakers. Glasses that are cleaned in the sink, must be placed on the bar itself. They cannot be put back with the glasses that hang and stand above the drafts.

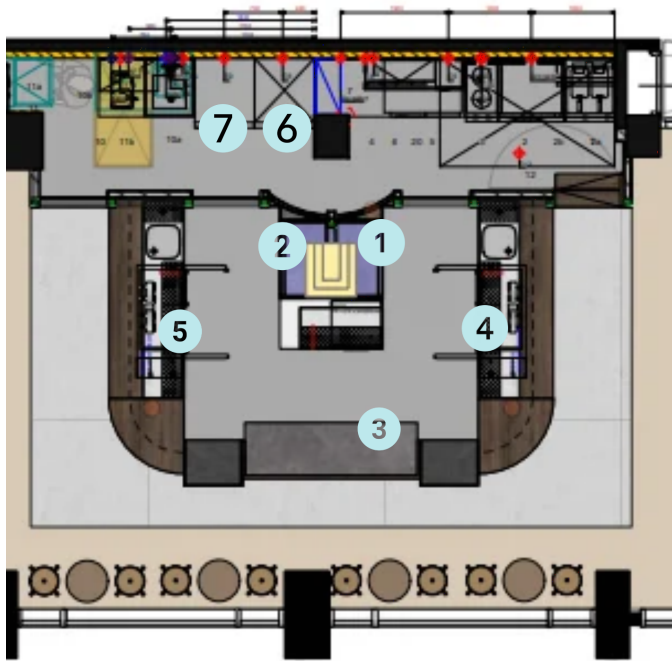

Cleaning corner

Here you can find towels, landry and cleaning stuff. There is a rinsing machine to clean the glasses. These glasses may be put back

Liquors

You can find many liquors like Liqor 43, Tia Maria and tequila that are often use in shotglasses which you can also find in that corner. Some of these liquors are used as extra ingredients for certain cocktails.
